*The Manasota Chapter is excited to be putting on our 1st Sporting Clay Shoot at the Sarasota Trap, Skeet and Clays facility. Novice and expert shooters are all welcome. Teams of 4 will proceed between the shooting stations and each foursome could share a single shotgun so there's no need to get everyone a gun. Please bring your own gun if you have one but there are several guns available for rent at the facility. Ammo is available at the facility as well but if you bring your own, please make sure it's acceptable to the facility. The highest scoring four individuals from the tournament will enter a shootoff at the end of the team play. Trophies will be presented for top 3 teams and top 4 individuals after the 50/50 drawing. Sarasota County and Sharek Solutions will have information about Hybrid Fleet and Electric Vehicles on-site. Please sign up to sponsor the event if you would like your company's name on the event T-shirts and station signs and your logo on the banner.*
