FWEA/FBC Joint Lean Six Sigma Yellow Belt Training/Certification  
Toho Water Authority  
951 Martin Luther King Blvd.  
Kissimmee, FL 34741  
08:00 AM - 05:00 PM EST  
Susan Boyer, sboyer@flbenchmark.org  
The Utility Management Committee will be hosting the FWEA/FBC Joint Lean Six Sigma Yellow Belt Training/Certification.  
*This is a great opportunity to learn the Lean Six Sigma fundamentals and its application; develop an understanding and ability to apply the techniques of various elements; how to prioritize processes for improvement; and approaches and tools to immediately improve process in your workplace. All of this will be done specifically using and relating to the use of the data collected by the FBC for the annual report.*

*The instructor, Bruce Berger, is a certified Lean Six Sigma Master Black Belt with over 25 years of experience helping organizations in both the public and private sectors to improve performance at all levels through the application and implementation of Lean Six Sigma, Professional Development, and Industrial Engineering programs.*
